Case

- 10 We request quotes for contractors to screen our street sweepings. We load and deliver our street sweepings to the awarded contractor who meets the required criteria for processing and they can then use the material as they see fit.
- 18 Compost leaves in the fall, landfill sweepings in the spring and Summer.
- 28 All leaves are hauled off-site by a private company and reduce to compost. Not sure what the process is
- 82 Spring sweepings unscreened and to landfill. Fall sweepings unscreened to Organics Recycling Facility
- 85 Unknown. As a new city administrator we have not done street sweeping yet since I have been in my position.
- 91 Stockpiled and composted
